Welcome to the course

This video introduces you to Diana Laurillard and Neil Morris, the lead educators for the course, and provides an overview of the weeks ahead.

Who will support your learning?

You can access the FutureLearn profiles of the educators from the links below. You can also choose to 'Follow' them:

[Diana Laurillard \(lead educator\)](#)

[Neil Morris \(educator\)](#)

Successes so far

- 25,000 sign ups - only half way through course runs!
- Reaching ITPs and apprenticeships via AELP
- Very positive feedback...

Evaluation - Course 1

By November 2015...

- 13,000 signed up for 'Getting Started' with a course conversion rate of 53%
- Over 60,000 visits to 27 videos in the course
- 16,760 discussion comments
- 27 digital mentors support learners on and offline
- Post course survey
 - Very high percentage ratings on course design and experience
 - **76%** participants now feel confident about using blended learning (only 14% prior to course)

Blended Learning Essentials

The course runs in **two parts** for a total of eight weeks: the first part is called **Getting Started**, and the second part is called **Embedding Practice**. For anyone working in further education, skills training, vocational education, workplace learning, lifelong learning or adult education, this course will enable you to make more effective use of technology and help your learners achieve greater success.

Title	Run	Start date	End date
